

RE&PQJ Agreement about Open Access

The *European Association for the Development of Renewable Energies, Environment and Power Quality (EA4EPQ)*, Reg. No. 169208, is agree that scientific literature should be publicly available, free of charge on the internet so that those who are interested can read, download, copy, distribute, print, search, refer to and, in any other conceivable legal way, use full texts without encountering any financial, legal or technical barriers other than those associated with Internet access itself then, in our General Meeting of May 8th 2015, we have decided to accept all the statements about Open Access established by:

- *Budapest Open Access Initiative (BOAI)*
- *The Bethesda Statement on Open Access Publishing*
- *Berlin Declaration on Open Access to Knowledge in the Sciences and Humanities.*

and then all the papers published in our *Renewable Energy and Power Quality Journal* (RE&PQJ), ISSN 2172-038 X, that they are of free access from the first edition of 2003, from that date we will consider that all the paper published by RE&PQJ are scientific and technical documents of open access and then they will be of free online access plus some additional usage rights in accordance with the *Berlin Declaration on Open Access to Knowledge in the Sciences and Humanities*. We will try to make this possible preparing the appropriate software solutions and then all the papers are in the ICREPQ Database and also all of them have the DOI (Digital Object Identifier). <https://doi.org/10.24084/repqj20.xxx>. On the other side the RE&PQJ will be indexes by SCOPUS from the year 2003.
